Fiery American Lamb Competition Ends in a Draw

*Grilling Gurus Strut Their Stuff with Grilled Boneless Leg
and Stuffed Lamb Burger Recipes*

Denver, CO, July 20, 2009 — When the smoke cleared, two contestants remained in the second annual “Get Your Grill On” American lamb video contest: Nikki Norman and the lamb loving duo, Matt Charpentier and Joe Riley. After a fierce competition, these grill masters scorched the competition resulting in a draw with Nikki’s *Mystical Mediterranean Grilled Boneless Leg of American Lamb*, and Matt and Joe’s *Brie-Stuffed American Lamb Burger Pitas*. Showcasing the rich flavor of American lamb, each contestant added their own touch with flavors like cloves, cardamom, mint and lemon. Their dishes showcased the versatility of fresh, homegrown American lamb, for easy to prepare meals any night of the week.

Both winning teams will be rewarded with a grill-on-the-go set, BBQ package and lamb for six, just in time for Labor Day grilling.

About the American Lamb Board

The American Lamb Board is an industry-funded research and promotions commodity board that represents all sectors of the American Lamb industry including producers, feeders, seed stock producers and processors. The Board, appointed by the Secretary of Agriculture, is focused on increasing demand by promoting the freshness, flavor, nutritional benefits, and culinary versatility of American Lamb. The work of the American Lamb Board is overseen by the U.S. Department of Agriculture and the board's programs are supported and implemented by the staff in Denver, Colorado.
